

Dear Colleagues;

On behalf of the Organizing Committee, I cordially invite you to participate in the "Graphene and Related Technologies: from Laboratory to Industry - 2015 Conference" (<http://www.grapheneturkey.com>) which will be held at Hilton Kozyatađı Hotel in İstanbul, Turkey between October 15- 16, 2015.

This workshop aims to highlight recent progress and challenges in graphene for energy, electronics and composite applications. We will bring together a wide spectrum of scientists and engineers from the academia, industry and government R&D community to provide a platform of discussions with international and national experts and build synergies for various graphene related technologies and applications.

We are looking forward to your support and participation in The Graphene and Related Technologies: from Laboratory to Industry - 2015 Conference.

We would be most appreciative if you could distribute this invitation to your colleagues, staff and students.

On behalf of the organizing committee,

Best Regards,

Assoc. Prof. Fevzihan Başarır
