

GEBZE INSTITUTE OF TECHNOLOGY DIRECTIVE FOR INTERNATIONAL GRADUATE STUDENTS

Basis, Purpose , Content

Article-1

These “principles” are arranged for the purpose of identify the acceptance rules looked for the foreign students apply to have graduate degree education and teaching at (GIT), according to the Gebze Institute of Technology (GIT) graduate degree education regulations.

The institutes, if needed, with condition of staying in this regulations and these “Senate Principles” frame, may request additional rules.

About the subjects not stated in these “principles” the present regulations statements and related regulations.

Required Education Documents for Applicants

Article-2

From the foreign students who apply to have a graduate degree at GIT, except the documents will be demanded to stay in Turkey needed for related regulations, the documents will be demanded for the education of the applicants are indicated below.

- a) Application form.
- b) For applying to the graduate degree programmes under graduate diploma, for applying to the doctorate degree programmes, graduate degree diploma.(For the diplomas taken from foreign country higher education institutions
- c) If the completed graduate or undergraduate programme’s record of lessons document is not in English or Turkish, certificated records of lessons document translated to English(If the records of lessons document is in Turkish, there is no deed to translate).
- d) The applicants have to supply the ALES point condition for the programme they applicated stated in the entrance exams notice for the Turkish students. In this scope instead of ALES document, GRE/GMAT exam results are recognised too. (For ALES and GRE/GMAT exams points the conversion table to be obtained from GIT students affairs Office, may be used.)

Also from the students who started their graduate study period at our universitie’s institutes or another higher education institute, the ones who, apply for the Phd programme by at most having a break for one term after completing their studies, the students who have a break at most for one term because of their records are deleted after they start

graduate study, or the students who have a break at most one term and then again apply for another programme, their former ALES or equivalent documents are valid.

- e) If in the related department programme the teaching is 30% in English, the applicant has to get at least 80 points from ÜDS or an equivalent exams. (In this case if the applicant wants to have Turkish courses he/she has to have the TÖMER certificate).
- If in the related department programme the teaching is only in Turkish, the applicant has to have the TÖMER certificate).
- f) If the applicant has applied for with the Turkish competence certificate, he/she must supply the English language condition graduate/Phd entrance exam which is noticed for the Turkish students.
