# 8 REASONS TO CHOOSE GTU

At the heart of  
Türkiye's industry

Right beside Istanbul

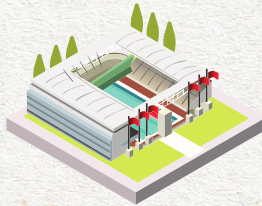

Easy-to-get  
internship and job  
opportunities

Internationally-experienced  
academic staff

University-industry  
collaboration

Technopark on  
campus

Ranks among top in the  
Entrepreneurial and  
Innovative Universities Index

Research University

# GTU CAMPUS

- **Easy-to-commute-to campus by railroad, air line, and motorway to and from Istanbul and Kocaeli**

- **Bicycle-friendly**

- **Accessible for people with disabilities**

- **Intertwined with nature**

# UNDERGRADUATE PROGRAMS

Faculty Of Engineering  
Aerospace Faculty  
Faculty Of Science  
Faculty Of Business Administration  
Faculty Of Architecture

# GRADUATE PROGRAMS

Institute Of Natural And Applied Sciences  
Institute Of Social Sciences  
Institute Of Nanotechnology  
Institute Of Biotechnology  
Institute Of Defense Technologies  
Institute Of Earth And Marine Sciences  
Institute Of Energy Technologies  
Institute Of Transportation Technologies  
Institute Of Information Technologies

## Double Diploma Opportunity with Double Major and Associate Degree Programs

## Scholarship Opportunities

Türkiye Scholarships provide equal scholarship opportunities with international standards for successful students and scholars worldwide.

## International Agreements

- Erasmus+ agreements with 110 universities in Europe
- Bilateral agreements with 23 universities from 13 different countries
- Internship opportunities worldwide with IAESTE and Erasmus+ Programme

## Transportation and Accommodation

- Easy commuting to Sabiha Gökçen Airport and city centers nearby thanks to the Marmaray Railway Station on campus
- 38 student dormitories half-an-hour away from the campus with Marmaray
- 256-room state dormitory fifteen minutes away from campus (twin rooms with kitchen)

## Library

- Rich library infrastructure enabling access to electronics databases worldwide
- Access to 58,107 scientific journals, over 277,000 e-books, and 66 international scientific databases
- 7/24 access to widely-acclaimed international databases including Wiley, EBSCO, ProQuest, Taylor & Francis, Elsevier, American Chemical Society, SciFinder, Springer, Nature, and Science

## International Projects Office

- Provides support for the effective implementation of projects and programs
- Offers project management guidance and tools to assist staff and students with project delivery across GTU
- GTU has been awarded funding for several international projects, including those funded by the EU ( 6th & 7th Framework Programme, Horizon 2020, Horizon Europe, Erasmus +), NATO, the Royal Society Newton Advanced Fellowship and the Air Force Office of Scientific Research (AFORS).

## Student Societies

Vast opportunities for social, cultural, and sports activities with 56 student societies focused on academic, sportive, and cultural areas

# GTU IN NUMBERS

**1,775,506m<sup>2</sup>**  
campus land

**157m<sup>2</sup>**  
green space per person

**17,400m<sup>2</sup>**  
sports areas

**78** academic programs

**172,502m<sup>2</sup>**  
technopark area

**39** R&D companies

**+150**  
laboratories

**709** academics

Ratio of finding a job before graduation:  
**30%**, within 1 year of graduation: **65%**

**10,472** students  
(**6,888** undergrad + **3,384** grad)

**9** research centers

**18** industrial zones in vicinity

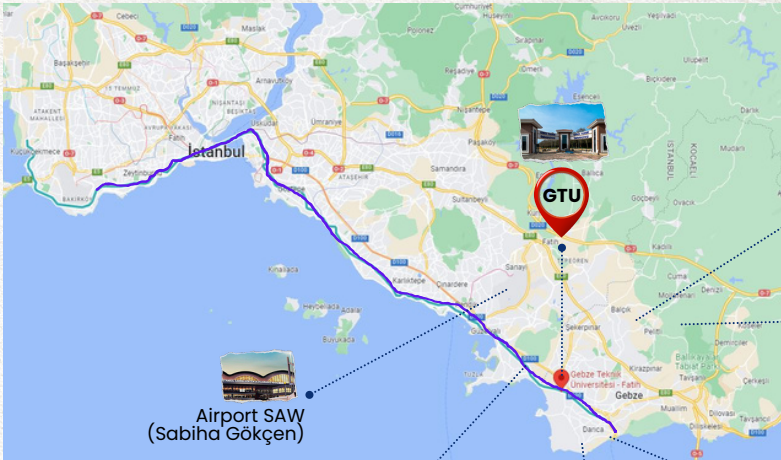

Access to **58,107** scientific journals, over **277,000** e-books, and **66** international scientific databases through the library

**56** student societies

# GTU LOCATION

Organized Industrial Zone

Balıkkayalar Nature Park

Airport SAW (Sabiha Gökçen)
