

## Product Management Intern Position

Joker Game is on a rapid rise! We embarked on a journey to make the best mobile games in the world and that has just begun legendarily in Turkey when we made “Batak Club”, which is one of the most popular card games in mobile app markets. We’ve reached more than 4,500,000 registered users both online and offline. It’s not only that! “Batak Club” is also featured on Top Grossing Card Games lists on both the App Store and Google Play.

We’re looking for young talents to support A Team and to coach them to have them in A team in the long run.

### You’ll be responsible for;

**Assisting to Manager:** Collaborate with our Product Managers closely to improve our product development efforts continuously

**Setup Game Events:** Manage in-game events, push notifications and live-ops etc.

**Competitor Analysis:** Follow competitors and trends in the gaming industry. Conduct comprehensive competitors’ app analysis, benchmarking

**Research & Documentation:** Continuously track, analyze, report and improve our key metrics to monitor how we create value for our users and the business.

**Content Creation:** Writing blog posts, articles, newsletters, communications materials for our Website and Social Media Channels such as Facebook, Instagram, Twitter.

**Player Relations:** Support the players, answer their questions and solve their problems.

**Following Product Roadmap:** Continuously track product roadmap to deliver right content.
