Evaluation of Applications

Undergraduate program applications are evaluated by GTU International Student Admissions Committee. The structure of the Committee is determined by the decision of the Senate.

The applicants who are found not to meet the application requirements as a result of preliminary evaluation will not be evaluated further.

Announcement of Application Results

Application results are announced on the GTU website. The acceptance letter required for a study visa by the candidates that have been accepted and state that they will finalize their enrollment will be sent to the e-mail address they have specified in their application form. The candidates that do not show up to finalize their enrollment within the informed period lose their rights to enroll.

Enrollment

Student enrollments are carried out by the Directorate of Student Affairs between the dates specified in the yearly Academic Calendar.

Tuition Fees and Financial Assurance Amount

A tuition fee determined by the University Senate, provided that it falls within the minimum and maximum limits designated by the Decree of the Presidency of the Republic of Turkey every year, is received from the students that will be accepted from abroad or from foreign national students. Current fees are indicated in table below.

Those who will apply to GTU from abroad are required to certify that they have the financial capacity to continue their higher education in Turkey in the form a financial assurance declaration. The amount and way of certification are determined by the Senate and is 3.000dollar for 2021-2022 academic year.

Education and Teaching

Foreign national students are subject to the provisions of the Regulations Governing Undergraduate Education and Teaching at GTU regarding the matters related to education and teaching.

In order to begin their undergraduate education at GTU, international students are to first certify that their Turkish language level is sufficient. The Turkish language proficiency of the admitted students is determined according to the certificate of success received from the YÖK-recognized Turkish language education providing centers (TÖMER) or from Yunus Emre Institutes.

Turkish Language Levels

1. Level (A) and (B) are insufficient.

2. Level (C1) and higher are sufficient.

Students whose Turkish level is insufficient are deemed permitted for 1 year to learn Turkish. Of the students whose Turkish reaches the desired level at the end of this period, those whose program's medium of instruction is Turkish may directly start their undergraduate education. (Economics and Geomatics Engineering)

Those students that study in a program with 30% English-medium instruction may continue their education from the course period provided that they pass the GTU English Language Proficiency Exam, or certify that they have passed an equivalent English language proficiency exam.

Those students who fail the GTU English Language Proficiency Exam, or fail to certify that they have passed an equivalent English language proficiency exam study in the English Language Preparatory Program. At the end of the 1 permitted year that has been granted for sufficient level of English to the foreign national students whose level of English is insufficient and are studying by their own means, those whose level of English is still insufficient are permitted for 1 additional year, and at the end of that additional year, if their level of English is still insufficient, they are disenrolled.

Students that have to prove their proficiency in Turkish and English languages have a total of two years to do so.
