If the receipt is not in Turkish, then a Turkish embassy/consulate/notary-approved Turkish copy is to be submitted.

**Even though the applicants that have submitted missing, misleading and false statements, or false documents during application are announced as either main or reserve candidates, they will not be enrolled. And those who are identified with similar situations after their enrollment has been finalized will be dismissed pursuant to the relevant legal legislation.**

**\*Changes are announced on our university's website for circumstances arising due to force majeure.**

## **Uploading of Required Documents**

The documents specified in this announcement are to be uploaded in the online application system that will be accessible at <http://www.gtu.edu.tr> between **15 June-19 August 2022**.

Applications made outside the specified dates will not be accepted.

## **Evaluation of Applications**

The evaluation of applications is carried out by GTU International Student Admissions Committee. The Committee's structure is determined by the decision of the Senate.

The applications of those who are found not to fulfill the application requirements as a result of preliminary examination are not evaluated.

## **Announcement of Results**

Application results are announced on GTU website in internet environment. An acceptance letter is sent to the e-mail address stated in the application documents by the candidate who is accepted and states that they will finalize their enrollment so that they can acquire a study visa. The applicants lose their rights to enroll unless they show up to finalize their enrollment within the announced dates.

## **Enrollment**

Enrollments are carried out by the Directorate of Student Affairs between the dates specified in the yearly Academic Calendar.

## **Tuition Fees and Financial Guarantee Amount**

A tuition fee determined by the University Senate provided that it falls within the minimum and maximum limits designated by the Decree of the Presidency of the Republic of Türkiye every year and approved by the Turkish Council of Higher Education is received from the students that will be accepted from abroad or from foreign national students. These fees are indicated in table below.

Those who will apply to GTU from abroad are required to certify that they have the financial capacity to study in Turkey as a financial guarantee declaration. The amount for 2022-2023 academic year is **3000 US dollars**.

**Tuition Fees for Foreign National Students for 2021-2022 Education-Teaching Year were determined as follows, whereas the Tuition Fees per Semester for 2022-2023 Education-Teaching Year have not yet been determined. Finalized fees will be announced on the website after they have been determined.**

<b>Faculties</b>	<b>2021-2022 Tuition Fee Per Semester (TRY)</b>
Faculty of Engineering	7500
Faculty of Science	5000
Faculty of Business Administration	5000

### **Education and Teaching**

Foreign national students are subject to the provisions of the Regulation for Undergraduate Education and Teaching at GTU in terms of matters regarding education and teaching.

In order to begin their undergraduate education, students are to first certify that their Turkish language level is sufficient. The Turkish language proficiency level of those students who are placed in undergraduate programs at GTU is determined according to the Council of Higher Education-approved Turkish and Foreign Language Teaching Research and Application Centers (TÖMER) or the certificate of success received from Yunus Emre Institutes.

#### **Levels:**

**1. Level (A) and (B): The level of Turkish is insufficient.**

**2. (C1) and above: The level of Turkish is sufficient.**

Students whose Turkish level is insufficient are deemed permitted for 1 year to learn Turkish. Of the students whose Turkish reaches the desired level at the end of this period, those whose program's medium of instruction is Turkish may directly start their undergraduate education (applies to Economics and Geomatics Engineering Programs).

Those students that will study in a program with 30% English-medium instruction may continue their education from the course period provided that they pass the GTU English Language Proficiency Exam or certify that they have passed an equivalent English language proficiency exam.

Those students who fail the GTU English Language Proficiency Exam or fail to certify that they have passed an equivalent English language proficiency exam study in the English Language Preparatory Class. At the end of the 1 permitted year that is granted to the foreign national students whose level of Turkish is insufficient and are receiving education by their own means to level up their Turkish, if the student's level of Turkish is still insufficient, they are permitted 1 additional year, and if their level of Turkish is still considered insufficient at the end of that additional year, they are disenrolled.

Students that are required to prove their proficiency in Turkish and English languages have a total of two years to do so.
